PSE&G Green Streetlight

OWNER	
Location	North, and Central New Jersey
Project Value	\$ 8,000,000
Completion date	In Progress
Major Challenge	Replacement of over 60,000 fixtures
General Contractor	JBL Electric
DESCRIPTION OF WORK	
JBL Electric was contracted to install new fixtures on over 60,000 PSE&G poles. JBL is working through cities and towns to install over 250 per day. The new "Green" fixtures are very effiecent, and part of the US stimulus project.
